Housed at the ground floor of the hotel are Maltese castle restaurant, SPA and fitness center.

Oasis Aparthotel is the major part of the gated complex, with limited access for outside visitors. It features studios and apartments of different type and capacity – one-bedroom, two-bedrooms and three-bedrooms, divided in two categories – Standard and Premium. All apartments are spacious and bright, with fully equipped kitchenette, terrace and a view to the sea/gardens/pool/streets of the complex.

Oasis PREMIUM are apartments with luxurious furniture which are situated near the beach (on first line of the complex). There is no lift in the buildings with PREMIUM apartments. From some premises have beautiful frontal view to the sea and the beach.

Oasis STANDARD apartments and studios are situated inside the complex (i. e. second and third line).

Oasis Park is the newest (adjacent) part of the complex, but is not within its boundaries.
It is located outside the main part of the resort, literally on the other side of the old Lozenets - Tsarevo road. Oasis Park is the quietest and most peaceful part, surrounded by the beautiful Strandzhan Forest. All premises have mountain/garden views. The combination of a summer holiday at the sea in the middle of the mountains is best felt in this part. The distance from the beach is about 7-8 minutes walking distance.
