Alua Helios Bay has an exceptional location - directly on the beach of the small town of Obzor, one of the longest in Bulgaria (10 km.). Obzor is located on the panoramic road connecting the Southern and Northern Black Sea coast. The coastal areas near Obzor are unique in terms of protection from cold winds and a combination of sea and mountain climate. Summer breeze circulation, prolonged sunshine, moderate daily temperatures, relatively low clouds are the ideal climatic conditions for climatotherapy.
