GREEN LIFE
Sozopol ANTARÈS

Green Life Sozopol Antares

Located in the area of Kavatsite, near Sozopol.

It is different in its service and in its elegant style, offering a premium vacation in Sozopol and a comfortable experience with attention to the smallest detail. The wonderful panorama, combined with the luxurious and extravagant design, make it a preferred choice for an active vacation.

Breakfast is a buffet with a selection of healthy and high-quality products and drinks, selected fruits and vegetables, freshly baked croissants, aromatic coffee and many other culinary surprises, prepared with great care, and the individual approach to each and every guest is expressed in the fact that meals can now be prepared according to his preferences.

A beautiful Garden of Eden is available exclusively to guests at Green Life Antares. For cooler afternoons, you can relax with a book in our lobby bar, offering a limited and interesting selection of drinks and homemade desserts.

A trained concierge is at your disposal for anything you need on all days of your vacation. Guests use parking spaces, right next to the hotel, and an umbrella set with two sunbeds in an exclusive area for Green Life Antares guests only on the beach.

Due to its location, on the territory of the "Green Life",Sozopol complex, guests of Green Life Antares have:

- Pools - located in separate parts of the complex and are of different sizes and shapes. There are sunbeds and umbrellas by each pool. The oval pool has a children's section and tents for relaxation or massage. You can indulge in complete relaxation meters from the cooling water, and our little guests have the opportunity to play to their heart's content.
- Football and basketball court - the 29m/18m multifunctional court is designed and laid out to be used for both football and basketball games. Whether you are a fan of football or prefer basketball, this field is an ideal terrain for sports and healthy movement.
- Volleyball court - located right on the beach and can be used by anyone who wants to get in good shape quickly. This is the only place on the entire strip where fans of beach volleyball can test their skills or just have fun.
- Tennis court - the court has dimensions of 36 m/ 18 m, with a red surface and with artificial lighting, which makes it usable and available to the guests of the complex at any time of the day. Balls and rackets can be rented. Tennis lessons are also available by appointment. The court offers all the necessary conditions for both fun and regular training.
- Children's playgrounds - offering various children's facilities. They are suitable for entertaining children of any age.
