Location

Onyx Beach Residence is a newly built hotel and opens its doors for the first time to its guests in the 2021 season. It is perfectly located at the foot of the mountain right on the Black Sea coast. It is at the north end of the town of Sveti Vlas, in close proximity to the holiday village of Elenite. The hotel is only 4 km away from Sunny Beach, the largest resort in Bulgaria, 10 km away from the ancient town of Nessebar and 35 km away from the Bourgas airport of Sarafovo.

Sveti Vlas is a small town that has established itself as a desirable tourist destination. The combination of clean mountain and sea air makes the climate of the town unique and recommended for the treatment and prevention of diseases of the respiratory system, both in summer and in winter. The beach is formed by quiet and peaceful bays covered with fine golden sand. The town is also famous for its modern marina, offering all the amenities for the lovers of sea adventures.

Onyx Beach Residence

Onyx Beach Residence is a small and sophisticated hotel that offers accommodation in 50 luxuriously furnished apartments and 7 comfortable double rooms. It is suitable for accommodation of both friendly couples and families with children. Most of the apartments have a sea view and reveal a charming view of the sea bay, delivering pleasure at any time of the day. No less beautiful are the landscapes from the terraces of the apartments, facing the slopes of the mountain.

The apartments consist of a bedroom, a living room, a sanitary facility (a bathroom and a toilet), a balcony or a terrace. The living rooms are furnished with a convertible sofa (which also serves as an extra bed – a bedroom type), stools, a coffee table, a television, cable channels, a telephone. In the rooms there is a separate kitchen counter equipped with a mini bar, an electric kettle,

a coffee machine and the products for preparing refreshing hot drinks. The necessary tableware is also available - tea/coffee cups, water cups, drinking cups, teaspoons.

The bedrooms of the apartments with mountain and partial sea views are equipped with two separate beds, which gives the customer a choice of accommodation type. The bedrooms of the apartments with sea view have a double bed.

The bathrooms have a shower cabin and a separate water-heater in each apartment. The apartments have a safe, a hairdryer. Each apartment is heated or cooled by a separate air-conditioner.

The double rooms consist of a bedroom, a bathroom and a toilet, a terrace or a balcony. The rooms have two single beds or a double bed, a television, cable TV, a telephone, a safe, a hairdryer. There is a separate corner equipped with an electric kettle, a coffee machine, a mini bar and tableware consisting of tea or coffee cups, water cups, drinking cups, teaspoons. All rooms are heated or cooled by a separate air-conditioner. The bathrooms have a shower cabin and a separate water-heater.

The Deluxe apartments with sea view are only a small number and are located on the top floor of the hotel. In the typical sophisticated Onyx Beach Residence style, the apartments offer a feeling of luxury and uniqueness. The terraces are spacious, furnished with garden rattan furniture.

There are two outdoor pools, one of which has an integrated children's playground. The hotel has a relaxation area equipped with a sauna, a steam bath, an ice-cold shower.

The interior of Onyx Beach restaurant is designed in an elegant and refined style. The restaurant consists of three rooms - an indoor hall, where the breakfast buffet is, a glazed winter garden, which can be fully open or closed depending on the season and a beautiful terrace located above the beach.

The beach is surrounded by natural rocks that form a quiet and peaceful bay. There is a special area for the hotel guests.
